PRESIDENT'S WELCOME

Dear Toro Graduates,

One of our great leaders, Brother Malcolm X, reminds us that “Education is the passport to the future, for tomorrow belongs to those who prepare for it today.” Today, the passport received a stamp, inked with the chronicling of your academic and co-curricular achievements that will significantly enhance your options in life, and elevate your trajectory towards future success.

On behalf of the faculty, staff, senior administration, your fellow students, and our alumni of California State University, Dominguez Hills, I extend congratulations to the Class of 2023, who have spent the last several years preparing to take ownership of their own futures – and those of the communities they hail from.

Commencement is a time for celebration and jubilation, a time of retrospective reflection and anticipatory excitement. It is a time to appreciate the road you have traveled, and the purpose and journey that has brought you here. Portions of your journey may have been easier than expected, or it may have been rocky, but you kept your eyes on the prize, and have grown intellectually, emotionally, socially, and maybe even spiritually during your time on our beautiful campus.

Today, you arrive at CSUDH’s Commencement Ceremony having earned and prepared to accept a college degree for which you have been recommended by your faculty and realized a goal that you have worked diligently towards. It is a cause for much joy and exuberance, and the entire university community joins me in celebrating your hard-earned success.

Your graduation journey has been influenced by many who have been involved in your lives and played critical roles in education and achievement. Today is also an opportunity to recognize and applaud your families, friends, significant others, faculty, advisors, and mentors who have supported, encouraged, motivated, taught, and inspired you to persist and to succeed.

As members of the Class of 2023, you join a vibrant and growing group of over 110,000 Dominguez Hills alumni who are transforming communities throughout California, the nation, and the world. Whether you plan to progress directly into a career, or to attain further education at the graduate or professional school level, I encourage you to join the alumni association and stay connected and engaged with CSUDH. Our Toro community is strengthened by your continued involvement and engagement.

Again, congratulations to the Class of 2023. Once a Toro, Always a Toro!

A handwritten signature in gold ink that reads "Thomas A. Parham".

Thomas A. Parham, Ph.D. *President*
California State University, Dominguez Hills

CHANCELLOR'S MESSAGE

Dear Graduates,

I offer you my most enthusiastic and heartfelt congratulations on achieving this consequential milestone on the journey of a lifetime.

Today, we celebrate you – and all the hard work, perseverance and scholarship that brought you here. You will undoubtedly look back on this occasion for many years to come, filled with a well-earned sense of pride in your accomplishments – and maybe even a sense of relief for attaining a goal that, at times, might have felt more than a little daunting.

As numerous forces upended our world, you held firmly onto your dreams and persisted in your studies through challenges none of us could have foreseen or imagined. You have by necessity developed and demonstrated skills – far beyond your academic work – that will ensure your continued success: resilience, flexibility, resourcefulness, patience and tenacity. Your resolve shines brightly as a symbol of hope and optimism. It is admirable. And it is inspiring.

Of course, you did not make this journey alone. We also recognize the faculty who deepened your knowledge and enabled you to see the world from new perspectives. We acknowledge the counselors, tutors, advisors, librarians, coaches and support staff who championed you at every turn. And we appreciate the family, friends and loved ones who encouraged you, uplifted you and supported you along the way. Please remember to thank these important people and let them know how much their support means.

This celebration marks a new beginning for you – a time to commence a new life, filled with opportunities and prospects made possible by your degree from the California State University.

With this rite of passage we call “commencement,” you will join a dynamic, global network of more than 4 million CSU alumni. They are a remarkable force for good, and I am certain your addition to their ranks will multiply their contributions to our communities, to our state and to the world. I ask that – in the Cal State spirit – you use the knowledge, skills and personal qualities you have developed to work for justice, seek opportunities to foster equity and always uplift and empower others. Stay connected to your campus and look for ways to give back. And whenever possible, support future generations who aspire to follow in your footsteps.

On behalf of the entire California State University, again, congratulations.

Sincerely,

Jolene Koester *Interim Chancellor*

COMMENCEMENT SPEAKER

HON. REX RICHARDSON

MAYOR, CITY OF LONG BEACH

Toro alumnus Rex Richardson was elected mayor of Long Beach in 2022, becoming the first Black and second-youngest person to serve in the role.

Richardson was born on Scott Air Force Base in Illinois, to parents who divorced when he was a toddler. He moved to Southern California at the age of 11, when his single mother relocated from their then-home in Alabama to the west coast with him and his two siblings.

He and his sister both attended CSUDH as first-generation college students. Richardson enrolled under the Educational Opportunity Program, which provides services to low-income, first-generation students from historically disadvantaged backgrounds.

Richardson became interested in politics while at CSUDH, largely due to a series of tuition hikes during his tenure at the university. He was ultimately elected president of Associated Students, Inc., a position he credits with helping him develop the leadership skills needed for a career in politics.

Richardson left CSUDH a few courses shy of graduation, having gotten a full-time job as a community organizer for a local labor union. At the urging of CSUDH President Thomas A. Parham and others, Richardson returned to school, attaining a BA in philosophy in 2020.

Richardson has been working for Long Beach since 2010, when he became chief of staff for former councilmember Steven Neal. He won election to the city council himself in 2014, becoming Long Beach's youngest-ever councilmember at the age of 31. Richardson's leadership skills were soon recognized by his fellow councilmembers, and he was voted vice mayor in 2016, a position he held until his inauguration as mayor.

Richardson has also served as past President of the Southern California Association of Governments and as a board member of the South Coast Air Quality Management District. He and his wife, Toro alumna Dr. Nina Richardson, are proudly raising their two young daughters, Alina and Mila, in North Long Beach.

COMMENCEMENT SPEAKER

MS. JILL ANDERSON

EXECUTIVE VICE PRESIDENT, SOUTHERN CALIFORNIA EDISON

As Executive Vice President for Operations at Southern California Edison (SCE), Jill Anderson oversees the safe delivery of reliable and clean power to more than 15 million customers in Central, Coastal, and Southern California. She leads many of SCE's operations groups, including Transmission & Distribution, Customer Service, Safety, Security, and Operational Services.

A graduate of Boston University with a bachelor's degree in mechanical engineering, Anderson received her MBA from New York University.

She began her career at Consolidated Edison Company of New York, where she oversaw natural gas and electric operations, electricity and natural gas procurement, and helped redesign distribution systems to integrate new technologies.

Prior to joining SCE, Anderson served as executive vice president and chief commercial officer at the New York Power Authority, the nation's largest state power organization. There, she directed all wholesale and retail operations. Anderson was also responsible for customer sales, marketing, new products and technology, clean energy, and energy-efficiency programs.

At SCE, Anderson has worn many hats, serving as senior vice president of customer service and senior vice president of strategic planning and power supply, where she drove business strategy across the company and supported SCE's alignment with the state's clean energy transformation objectives. She also oversaw the operations of SCE's power generation fleet.

Anderson has a passion for clean energy and encouraging young people to pursue careers in STEM fields. As a woman in an often male-dominated environment, Anderson serves as a role model and example for young women interested in top-level business and science careers.

MR. FRANCO VEGA

FOUNDER / CEO, RIGHTWAY FOUNDATION

CSUDH alumnus Franco Vega is the founder and CEO of the RightWay Foundation, a nonprofit organization that helps transition-age foster youth attain and keep good jobs and stable housing. He was inspired to found the organization in 2011 due to his own experiences growing up and his years of work with foster youth.

After a childhood of trauma and disruption, Vega joined the U.S. Army upon graduating from a continuation high school. He received an honorable discharge in 1995, and immediately began putting his new-found discipline to work for the community.

Vega began his career teaching “Rites of Passage” to foster youth as an employee of the Department of Children and Family Services. He created an employment center at the Midnight Mission in Los Angeles’ Skid Row, working with recovering addicts and the local homeless population.

He went on to work for the Youth Opportunity Movement in Watts and Boyle Heights, and with the Los Angeles Community Development Department. Vega attained a bachelor’s degree in human services from CSUDH in 2000, helping him gain more insight into the needs of underserved communities.

His years of work with foster youth and job development led Vega to realize that Los Angeles County needed to develop better programs that combined mental health services and job readiness training. He founded RightWay as a vehicle for such programs.

The RightWay Foundation continues to provide support for foster youth in a family atmosphere, creating new foundations for these young people to build on. In addition to his work, Vega stays busy raising his four children and coaching Little League baseball.

COMMENCEMENT SPEAKER

MS. SHENIECE SMITH

CHIEF ADMINISTRATIVE OFFICER & GENERAL COUNSEL, NORTHBAY HEALTH

As chief administrative officer and general counsel for NorthBay Healthcare System, Sheniece Smith is responsible for providing legal advice to the entire organization. Smith also provides leadership for the marketing and communications, risk management, and physician recruiting and contracting departments.

A proud CSUDH alumna, Smith graduated from the university in 2007 with a bachelor's degree in communications. She began her legal career as a paralegal at Children's Hospital of Orange County (CHOC), working there while simultaneously attending the University of La Verne College of Law. Smith graduated cum laude and passed the bar in 2012.

She then assumed the role of associate counsel at CHOC, eventually moving up the ranks to become chief of staff and senior counsel to the CEO. In that role, Smith was responsible for providing legal advice on strategic initiatives and risk issues while acting as a member of the business team and advancing the priorities of the CEO's office.

In 2013, Smith founded H.O.P.E. Through Affordable Legal Services, a project to increase access to quality legal services for low-income individuals. The following year, Smith launched Family Legal Assistance at CHOC Children's, a medical-legal partnership, to provide free guardianship and conservatorship services to CHOC families who would not otherwise be able to afford the services.

Smith enjoys mentoring students through the law clerk program she created at CHOC and as an adjunct professor at USC Law School, where she developed the health law and policy course in 2019 and continues to share her experiences with students each fall. She is also active in her local community and the national health care legal community by serving on non-profit boards, leading forums for attorneys to advance their knowledge and skills.

Smith has won recognition for her outstanding contributions, including the 2022 Law 2.0 Outstanding Leadership Award, being named one of the 2021 Top 100 Healthcare Visionaries by the International Forum for the Advancement of Healthcare, and appearing on the Orange County Business Journal's 500 Most Influential People list in 2018. Smith continues her connection with CSUDH through her Hope Scholarship Fund and guest lecturing.

HONORARY DOCTORATE RECIPIENT

DOUGLAS K. LE BON

CO-FOUNDER, PATHWAY CAPITAL MANAGEMENT

Mr. Le Bon is a senior managing director and cofounder of Pathway Capital Management, LLC. Pathway is a leading provider of private market investments for institutional investors, with over \$85 billion in assets under management. Pathway has about 225 employees and has offices in California, Rhode Island, London and Hong Kong. Based in Pathway's headquarters in Irvine, Mr. Le Bon is involved in all aspects of Pathway's investment and client-servicing activities. He is a member of various Pathway committees, including the firm's Management Committee, Investment Committee, and Co-investment Investment Subcommittees.

Before forming Pathway in 1991, Mr. Le Bon was a vice president and principal of Wilshire Associates Inc. and founder and head of Wilshire's Special Investments Division. This independent division of Wilshire focused exclusively on assisting institutions with investment in the private equity asset class. Prior to joining Wilshire in 1983, Mr. Le Bon was a valuation consultant with Houlihan, Lokey, Howard & Zukin Inc. beginning in 1979. Mr. Le Bon has served on the advisory boards and valuation committees of several domestic and international private market partnerships. He received a BS in business administration and an MBA from California State University, Dominguez Hills.

In addition to his business activities, Mr Le Bon has been involved in various community endeavours, including as a trustee of Sage Hill School and as vice chairman of the Crystal Cove Conservancy.

COMMENCEMENT SPEAKER

HON. ROB BONTA

ATTORNEY GENERAL, STATE OF CALIFORNIA

Rob Bonta serves as California's Attorney General, the first person of Filipino descent and second Asian-American to occupy the office.

Born in Quezon City, Philippines, Bonta immigrated to California with his family as an infant. His passion for justice and fairness was instilled in him by his parents, who served on the frontlines of some of America's most important social justice movements. The lessons his parents learned from their work with United Farm Workers and the civil rights movement inspired Bonta to fight against injustice.

Bonta decided to become a lawyer to help right historic wrongs and fight for people who have been harmed. He worked his way through college and graduated with honors from Yale University, then went on to attend Yale Law School.

Bonta began his legal career as a deputy city attorney for the City and County of San Francisco, where he represented city and county employees and fought to protect Californians from exploitation and racial profiling.

In 2012, Bonta was elected to represent the 18th District in the California State Assembly, where he served until becoming attorney general in 2021. In the assembly, Bonta enacted nation-leading reforms to inject more justice and fairness into government and institutions. He is known for advancing systemic change, pursuing corporate accountability, standing up for workers, punishing big polluters, and fighting racial injustice.

Bonta has been a national leader in the fight to transform the criminal justice system, banning private prisons and detention facilities in California, as well as pushing to eliminate cash bail in the state. He has led statewide fights for racial, economic, and environmental justice, and worked to further the rights of immigrant families, renters, and working Californians.

Bonta and his wife Mia are the proud parents of three children, Reina, Iliana, and Andres — as well as their dog, Legolas.

MS. MARIA VILLA

ATTORNEY AND PRINCIPAL, LATHROP & VILLA

Maria Villa is a first-generation graduate of California State University, Dominguez Hills (BS '82) and Loyola Law School (JD '86). She is a principal with the law firm of Lathrop & Villa in Rolling Hills Estates, which she co-founded in 1992. She has a state and federal appellate practice, and has practiced in the areas of employment and business litigation, and plaintiff's class action litigation.

Born in Tijuana, Mexico, Villa immigrated to the United States at the age of 2 and was raised in Redondo Beach. The eldest of seven daughters, she obtained United States citizenship in 1979.

As a student at CSUDH, Villa served as vice president of Movimiento Estudiantil Chicano de Aztlán (M.E.Ch.A.) and was the campus coordinator of the group's high school student outreach program. During law school, she was an active member of La Raza Law Students Association, was co-chair of La Raza's Fundraising Committee, and served as a volunteer law student at the Labor Defense Network of the Legal Aid Foundation of Los Angeles.

In 1999, Villa became the first Hispanic attorney to be elected to the State Bar Board of Governors, where she served as vice president and treasurer. She has also been chair of the Stakeholder Relations Committee for the State Bar and is a founding fellow of the State Bar Foundation. Villa is a founder and member of the Latina Lawyers Bar Association, a member and former president of the Mexican-American Bar Association of Los Angeles County, and a lifetime member and former deputy regional president of the Hispanic National Bar Association.

Villa is the recipient of numerous awards, including the American Bar Association Difference Maker Award, Latina Lawyers Bar Association Trailblazer Attorney of the Year Award, Mexican American Bar Association Attorney of the Year Award, and Dolores Huerta Foundation Adelita Community Service Award.

She lives in Palos Verdes Estates with her husband and son. Villa currently serves as the Chair of the CSUDH Philanthropic Foundation Board, and is dedicated to opening the doors of opportunity for students through mentorship and philanthropy.

COMMENCEMENT TRADITIONS

ACADEMIC REGALIA

The tradition of wearing academic gowns, mortarboard caps, tassels and hoods, and the carrying of the University Mace originated in Europe during the middle ages and has been an integral feature of American academic tradition since the end of the nineteenth century. The gown is held to be an adaptation of the robe of the friar or priest; the hood, the monk's cowl; and the mortarboard cap recalls the skull cap.

For each of the degree levels, bachelor's, master's and doctoral, the gown sleeves indicate the degree held by the wearer. The bachelor's gown is a yoked, closed-front garment with long, pointed sleeves. The master's can be worn open or closed and has long sleeves, usually closed but slit above the elbow. The doctoral gown has full, bell-shaped sleeves and is trimmed with velvet panels down the front and has velvet bars on each sleeve. The color of the panels and bars is often varied to indicate the academic discipline in which the doctoral degree was earned. The length and shape of the hood also indicate the highest degree earned by the wearer. The color of the velvet border on any hood indicates the wearer's field of study.

Color is an important element of all academic ceremonies. In academics, the colors used to symbolize degrees earned and areas of study are referred to as "faculty colors." They are displayed on doctoral gowns, edgings of hoods, and tassels on caps. The official faculty colors are:

Agriculture – Maize	Nursing – Apricot
Arts and Letters – White	Oratory (Speech) – Silver Gray
Business, Accountancy, Commerce – Drab	Pharmacy – Olive Green
Dentistry – Lilac	Philosophy – Dark Blue
Economics – Copper	Physical Education – Sage Green
Education – Light Blue	Public Administration – Peacock Blue
Engineering – Orange	Public Health – Salmon Pink
Fine Arts – Brown	Science – Golden Yellow
Forestry – Russet	Social Work – Citron
Journalism – Crimson	Theology – Scarlet
Law – Purple	Veterinary Science – Gray
Library Science – Lemon Yellow	
Medicine – Green	
Music – Pink	

SYMBOLS OF OFFICE

THE MACE

The University Mace is a symbol of the legal and chartered authority of the president of the university. When the mace is present, the authority of the university is present. Carrying the University Mace is an immense honor reserved for a highly distinguished faculty member.

THE PRESIDENTIAL CHAIN

The University Seal forms the centerpiece of the ceremonial chain worn by the president of the university. Ten gold medallions, each inscribed with the name and years of tenure, represent a prior president of the university and form a chain symbolizing the continuity of university traditions. A crest inscribed with the name of the current president of the university sits at the base of the chain, linking the chain of medallions to the University Seal. The Presidential Chain was first presented to CSU Dominguez Hills President Herbert L. Carter at the 1999 Commencement.

GRADUATION WITH HONORS

Undergraduate students who achieve at a very high academic level graduate with honors.

The criteria for graduation with honors are:

1. A minimum of 36 units in residence.
2. A minimum GPA of 3.40 on all units taken at California State University, Dominguez Hills.
3. A GPA on all acceptable undergraduate work of
3.40 – 3.59, *cum laude*;
3.60 – 3.79, *magna cum laude*; and
3.80 – 4.00, *summa cum laude*.

Students who achieve the above honors may wear an honors braid over their gown and will have the information recorded on their transcripts and diplomas.

PLEASE NOTE

Every attempt has been made to include all persons deserving of recognition in this commencement program. Students listed in this program for the spring and summer semesters are candidates for graduation. These are tentative listings of candidates with the final determination of graduation to be made by the Office of the Registrar at the end of the appropriate term.
